- Text
- PDF
- PowerPoint

Watch and meet

Demonstrate a task with video, include a Zoom session, or combine several kinds of material in one lesson.

- Video
- Zoom Live
- Mixed

Interact and assess

Include interactive activities or packaged learning content, then use quiz questions to check understanding and review the result.

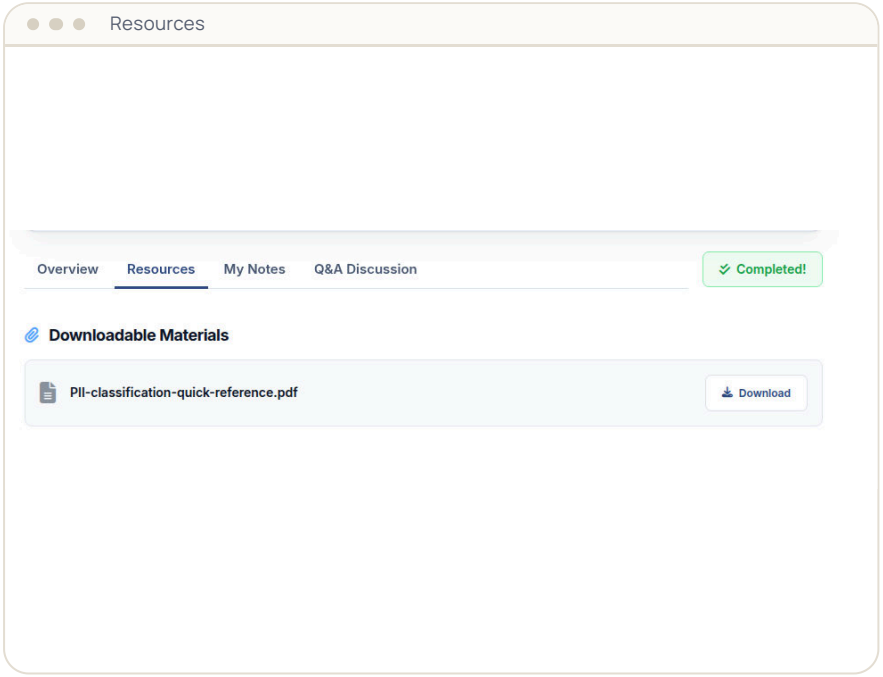
- H5P
- SCORM
- Quiz

Keep useful material with the lesson

EverLMS
Enterprise Learning Platform

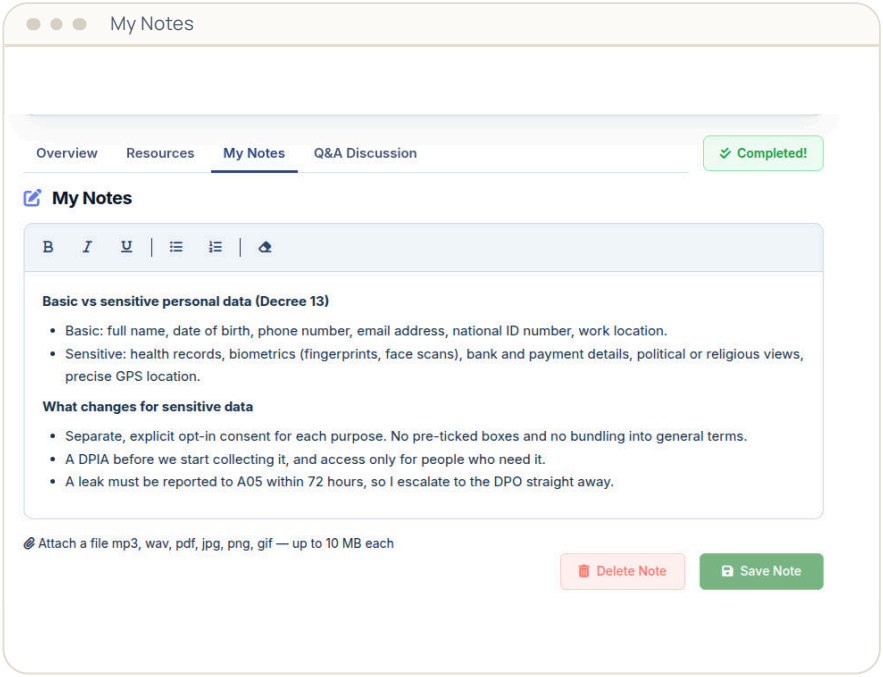
Resources

Download lesson attachments for reference.



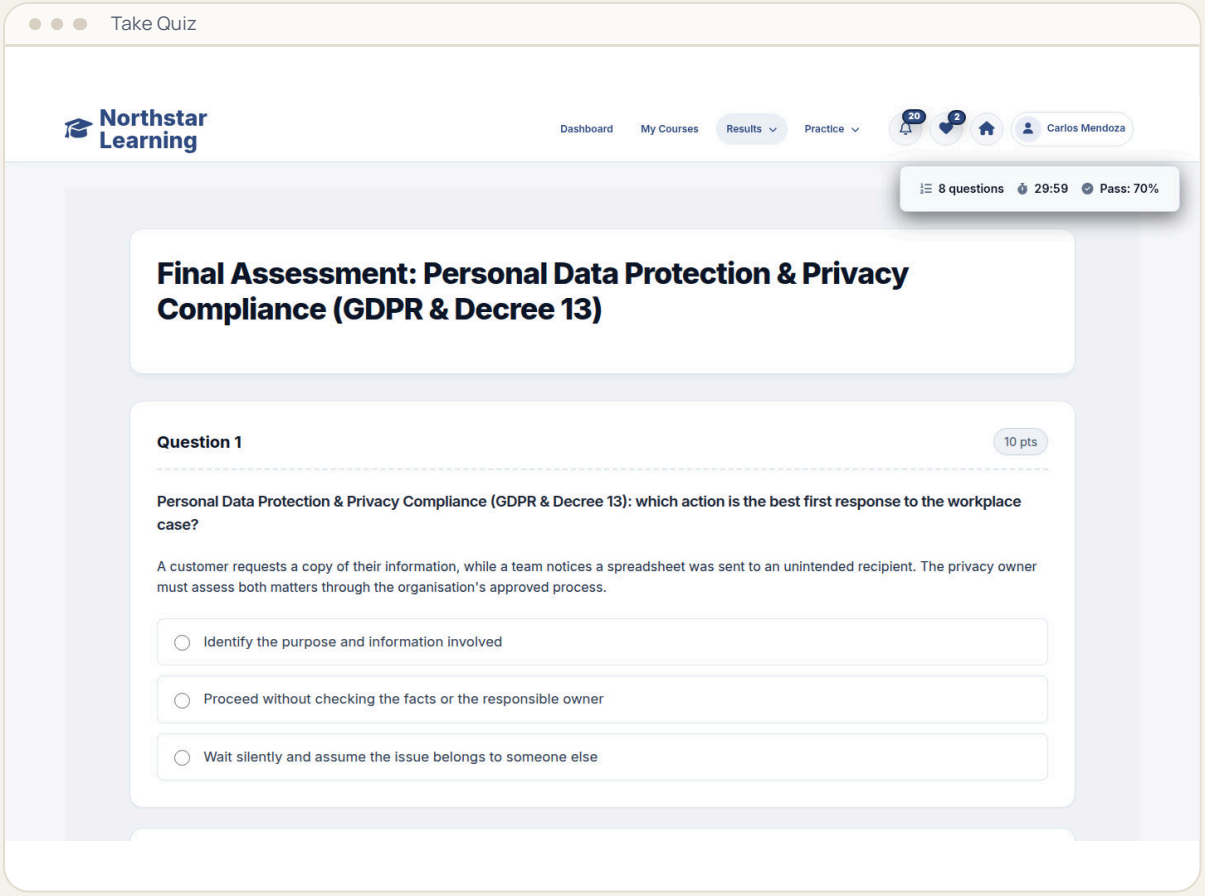
My Notes

Save personal notes alongside the lesson.



Take a quiz

EverLMS
Enterprise Learning Platform



Read the instructions

Check the pass score, time limit and available attempts.

Answer the questions

Complete the questions using their answer controls.

Submit the attempt

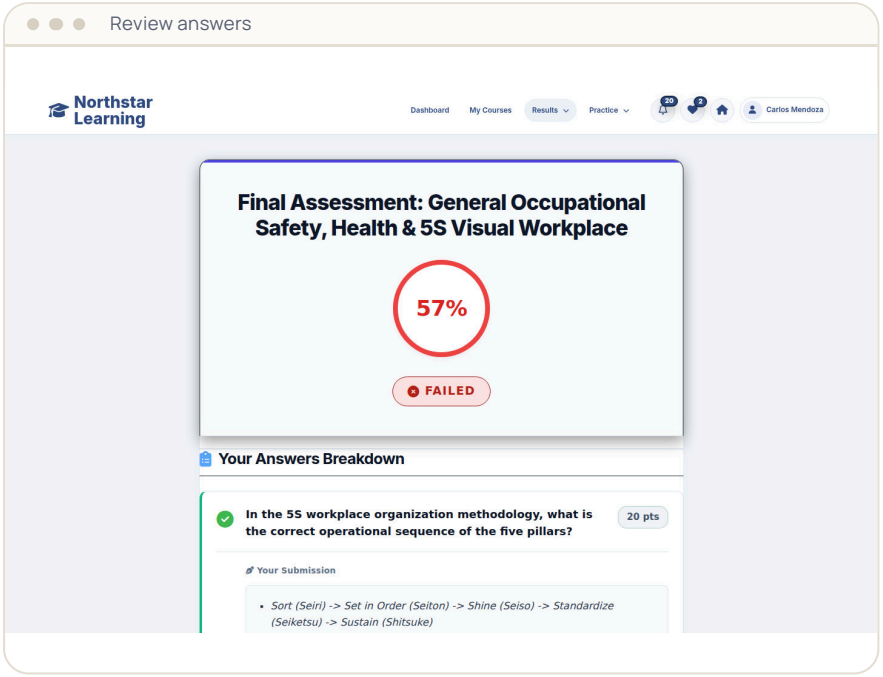
Save your answers and view the result.

Understand the result

EverLMS
Enterprise Learning Platform

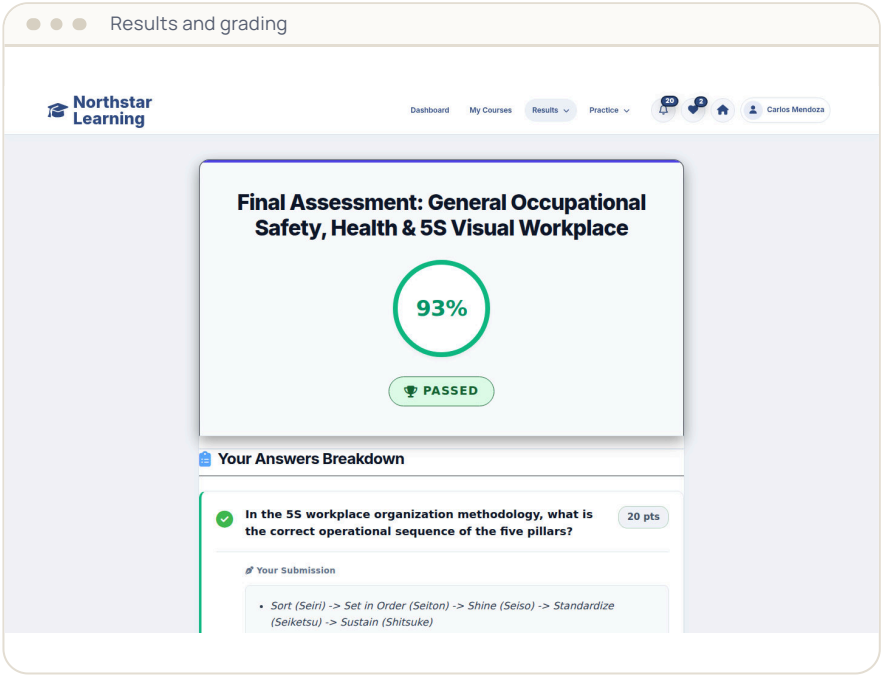
Review answers

Use saved answers to identify topics to revisit.



Results and grading

Review the score and outcome. Essay answers await manual grading.

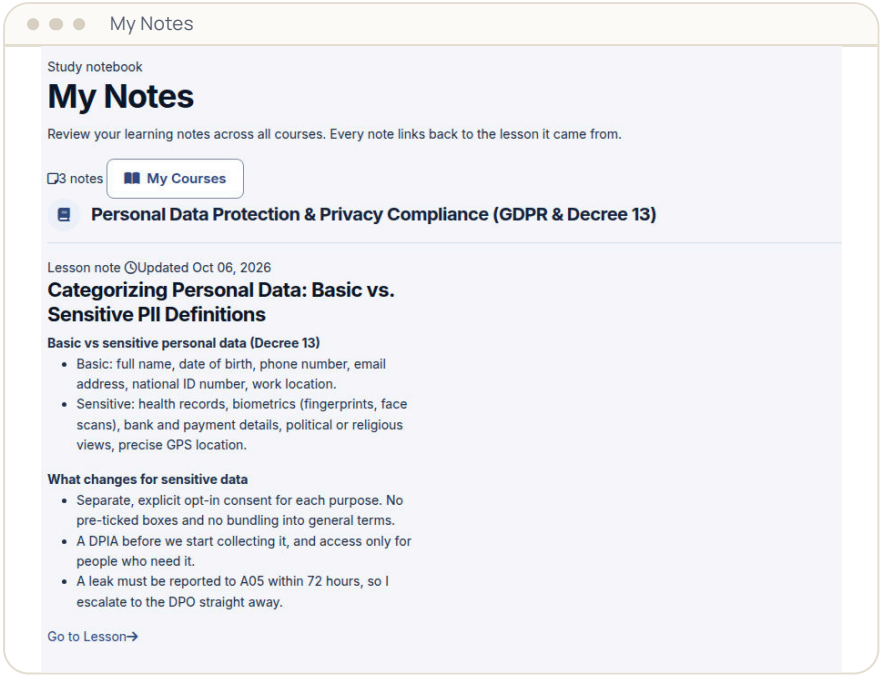


Return to what you learned

EverLMS
Enterprise Learning Platform

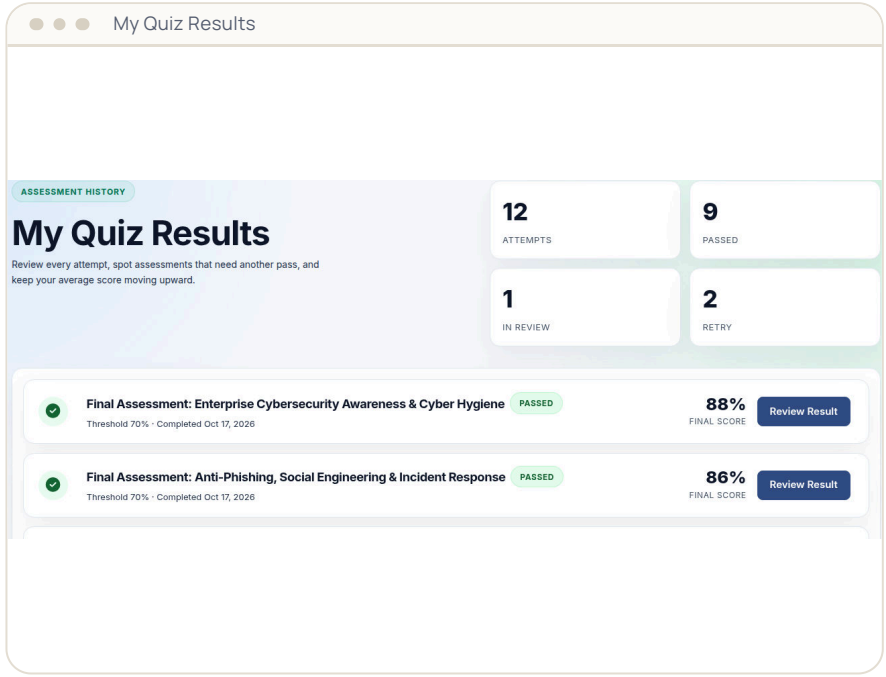
My Notes

Review notes across courses and return to the original lesson.



My Quiz Results

Reopen previous attempts to review scores, outcomes and answers.

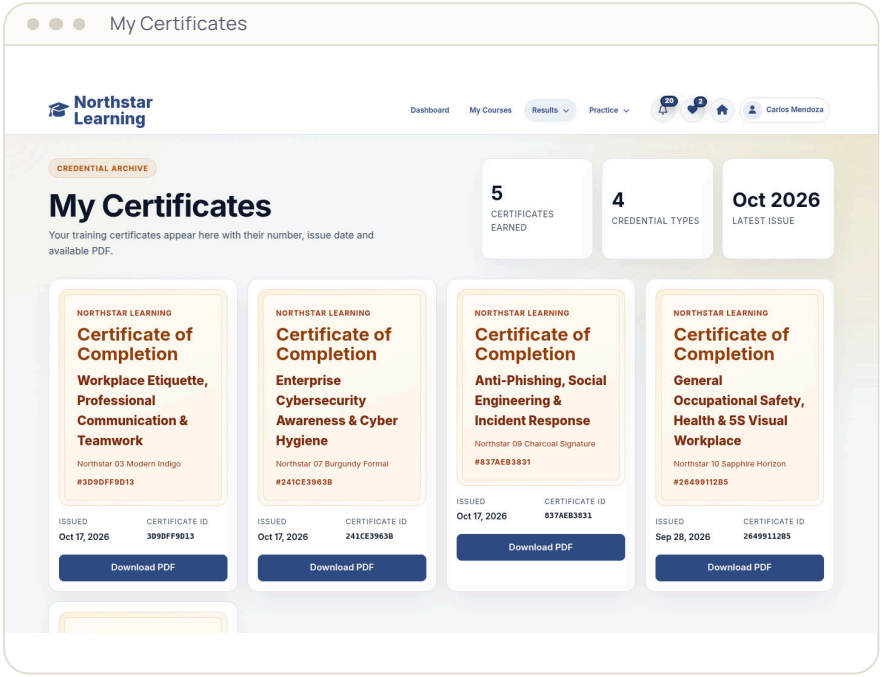


Download and verify a certificate

EverLMS
Enterprise Learning Platform

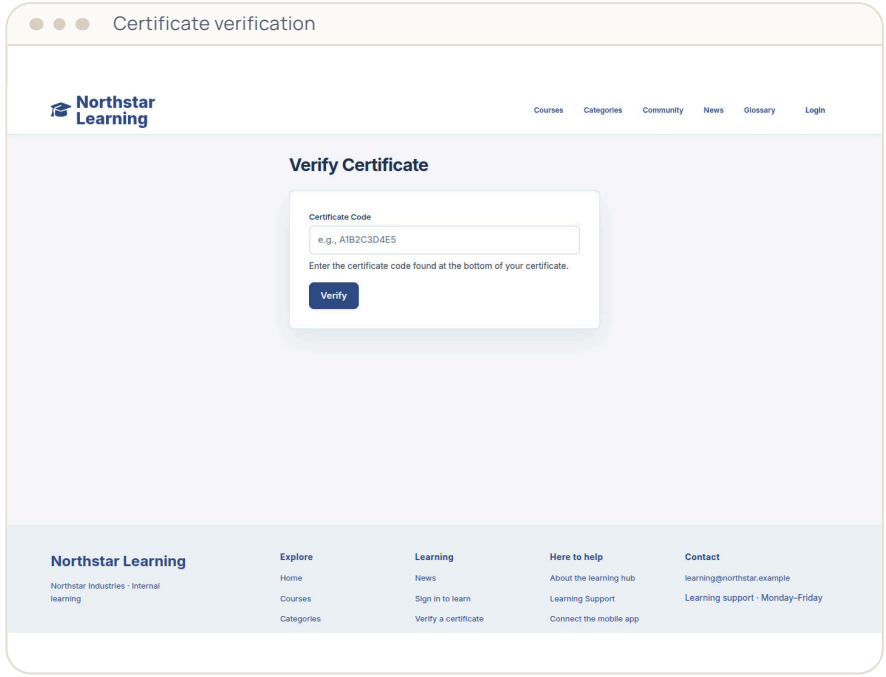
My Certificates

Download issued certificates as PDFs.



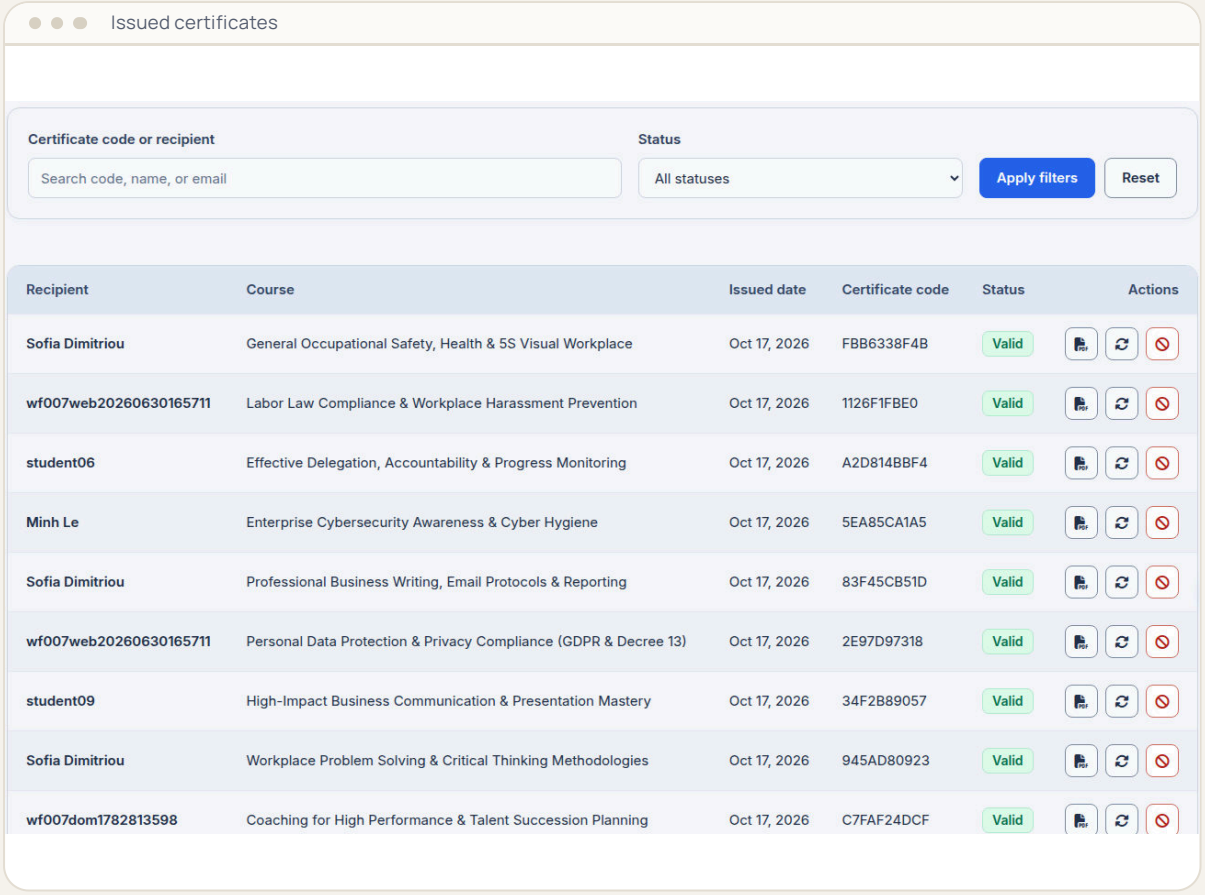
Certificate verification

Check an issued certificate's record and status using its code.



Manage issued certificates

EverLMS
Enterprise Learning Platform



Find the certificate

Search by code or recipient and filter by certificate status.

Review the issued record

Check the recipient, course and issue date; open the available PDF.

Revoke with a reason

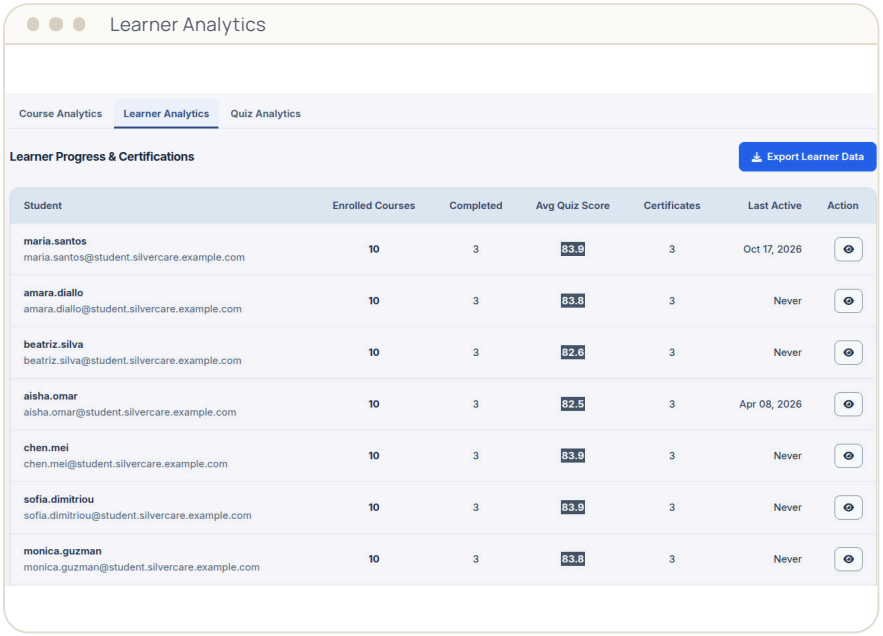
Authorised staff can record a reason and mark a certificate as revoked.

Follow up on employee learning

EverLMS
Enterprise Learning Platform

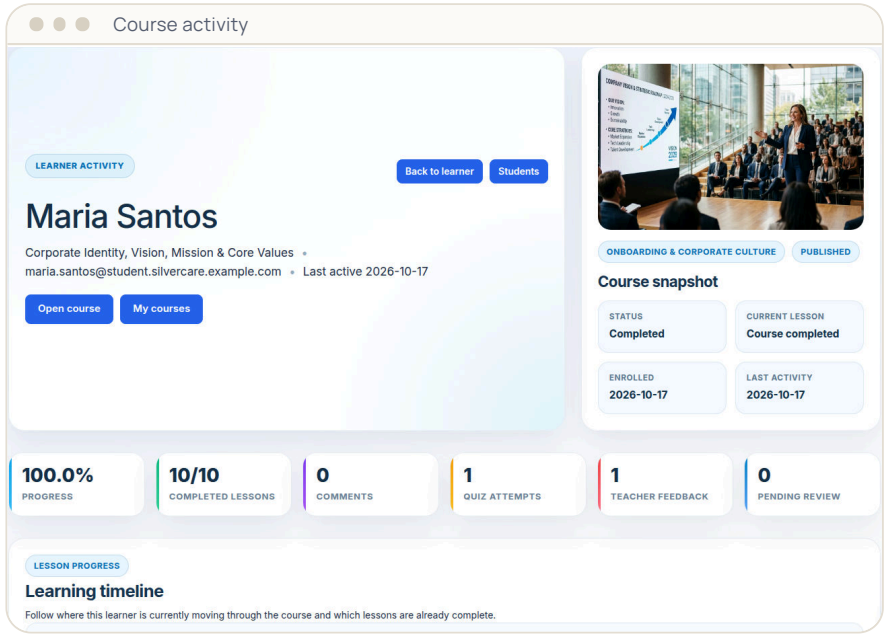
Learner Analytics

Find employees in your branch, review activity and export summaries to CSV.



Course activity

Check an employee's progress, completed lessons and quiz attempts.

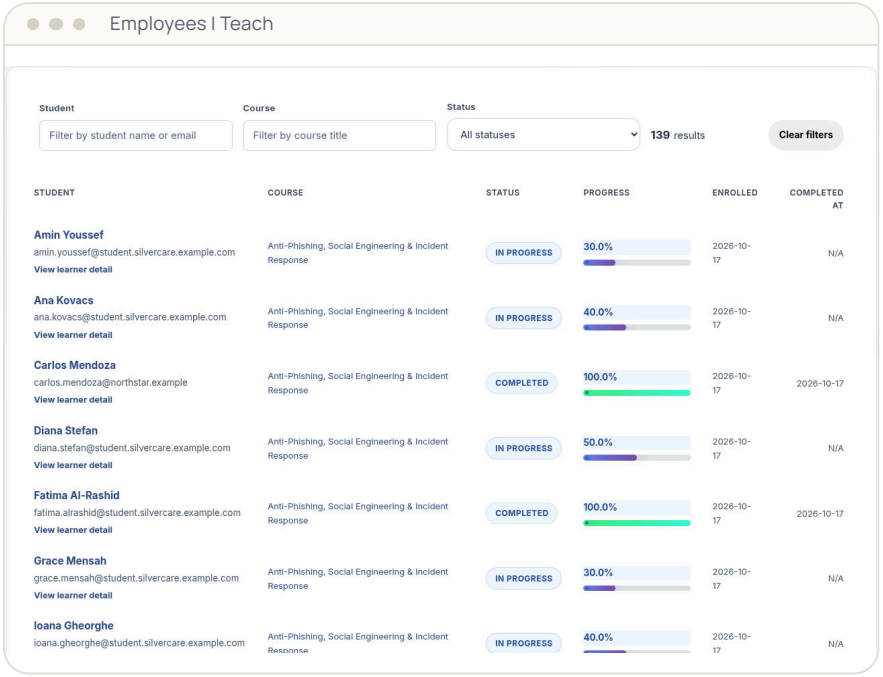


Support the employees you teach

EverLMS
Enterprise Learning Platform

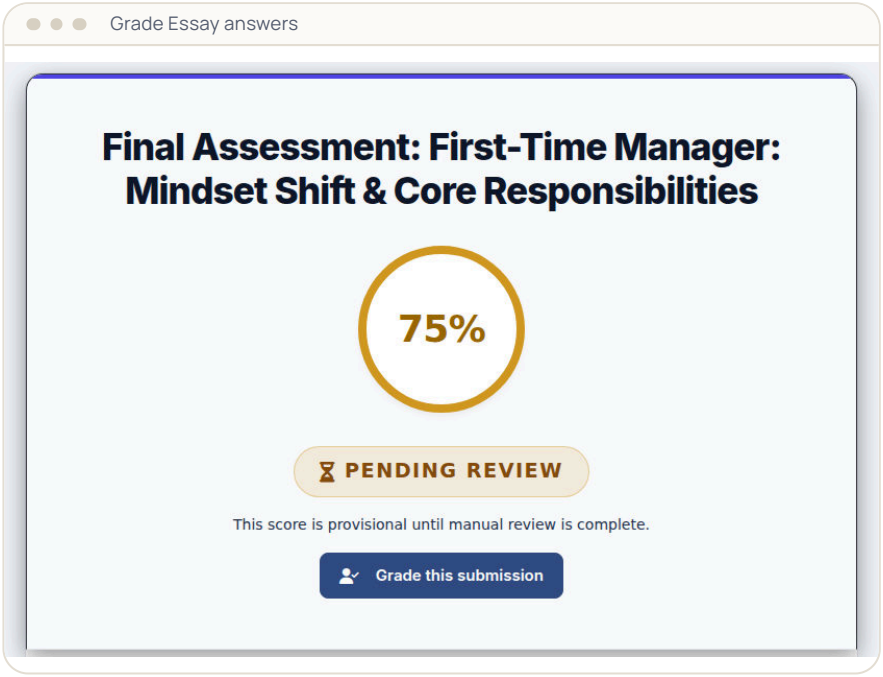
Employees I Teach

Follow progress and completion for each employee in your courses.



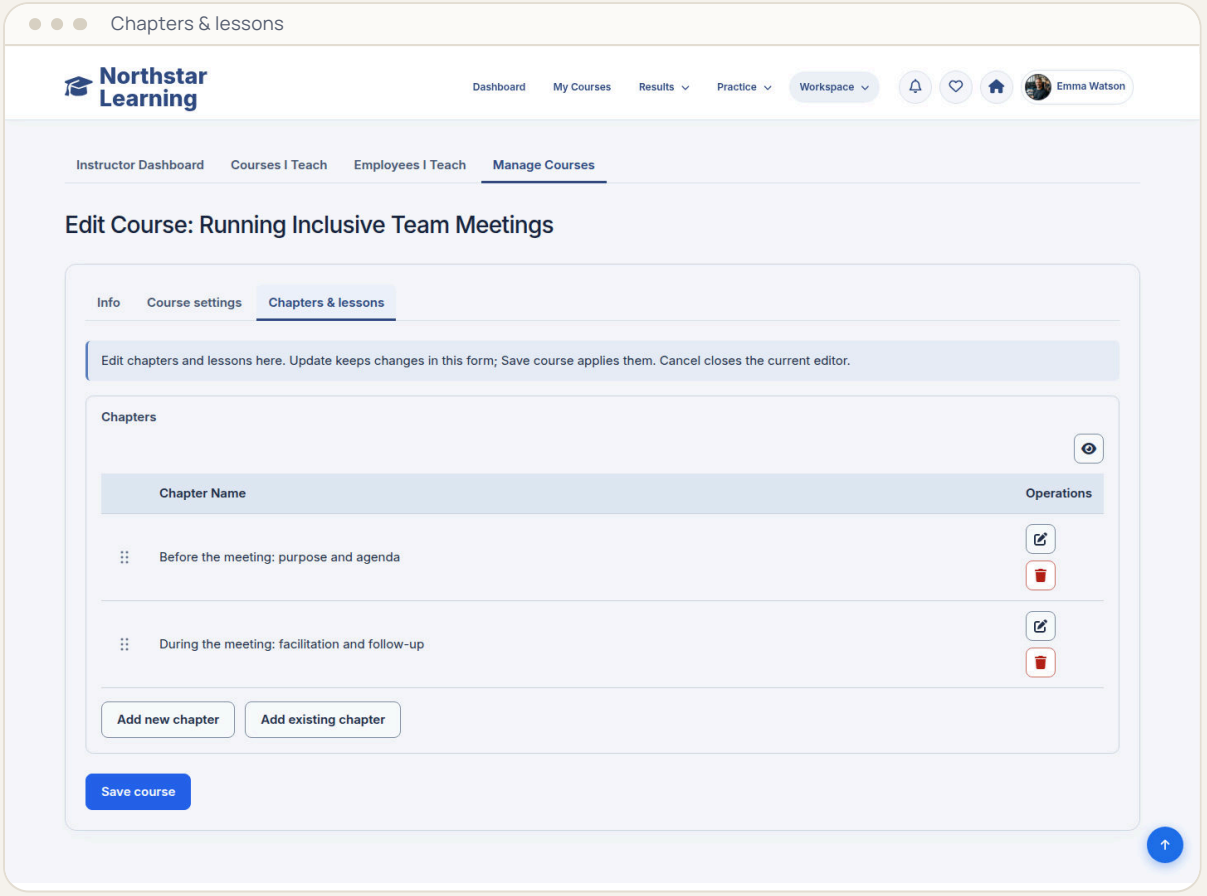
Grade Essay answers

Open a pending result, then award points and feedback to finalise it.



Organise chapters and lessons

EverLMS
Enterprise Learning Platform



Introduce the course

Define its description, goals and audience.

Build the curriculum
