MenuNerds

Restaurant ordering and daily service

A product by WeebPal

MenuNerds

What a restaurant needs every day

MenuNerds

Take orders from every channel

Online takeaway, QR codes at the tables, the POS on the floor and at the counter.

Keep the kitchen in step

Each round reaches the kitchen once, on its own 80 mm paper docket.

Keep the menu current

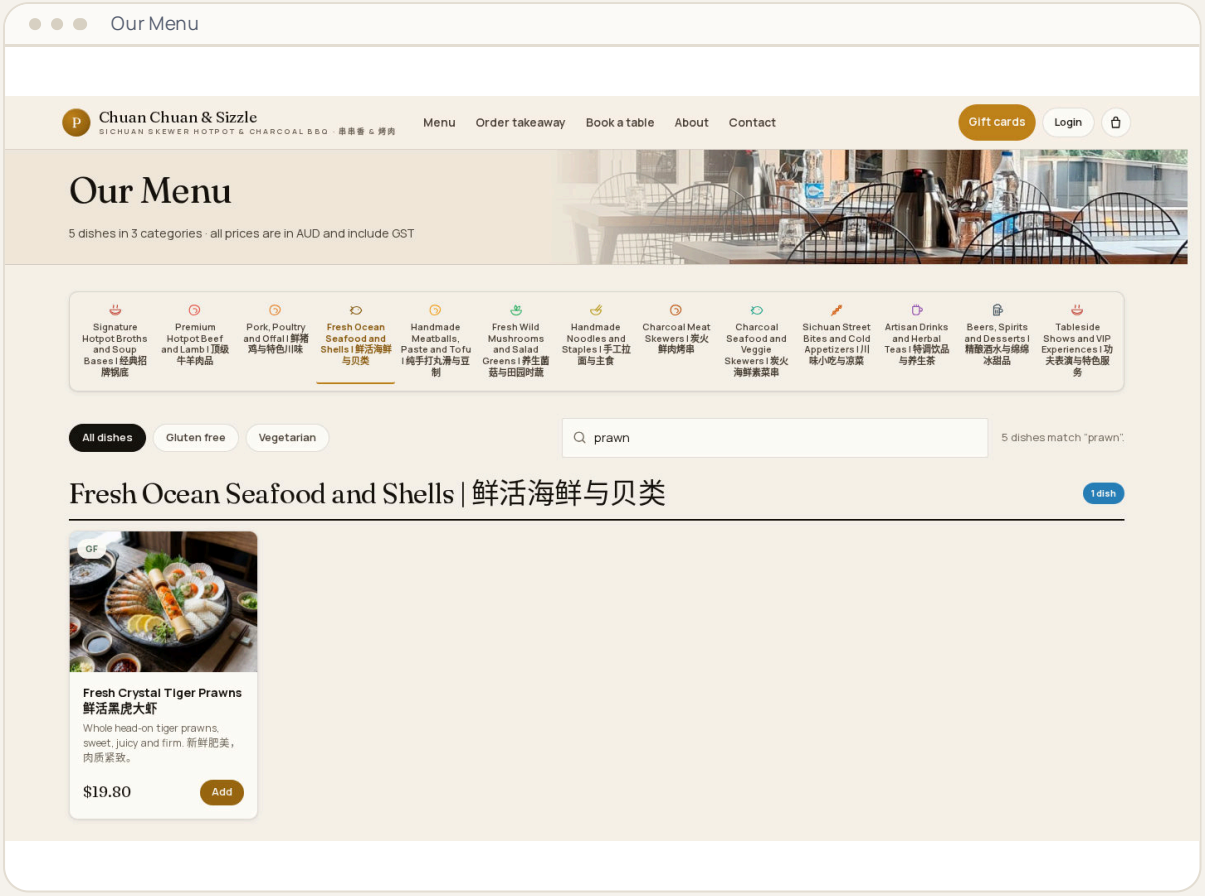
Prices, options and sold-out dishes change on the website and the POS at once.

Close the day with confidence

Sales, GST and payment methods, and the counted cash confirmed.

Find something on the menu

MenuNerds



Search and filter

Categories, Gluten free and Vegetarian, and a search by dish or ingredient.

Open a dish

Photo, description, the price with GST and the choices on offer.

Order or book

Order takeaway or book a table from the same site.

Three ways to order

MenuNerds

Online takeaway

Guests order from the website for a collection time, without an account.

- Collection time
- Pay by card
- Pay at the counter

At the table

Guests scan the table's QR code and send rounds; a waiter approves each round.

- Table QR code
- Waiter approval
- Pay after the meal

Counter and phone

Staff take the order on the POS with the customer's name and phone.

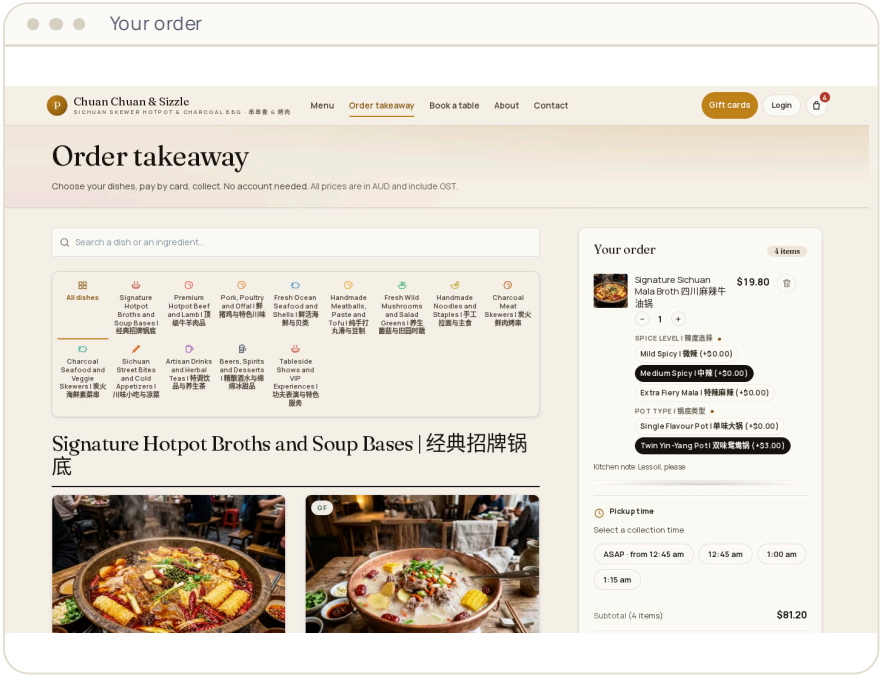
- POS ticket
- Kitchen docket
- Cash or EFTPOS

Order takeaway without an account

MenuNerds

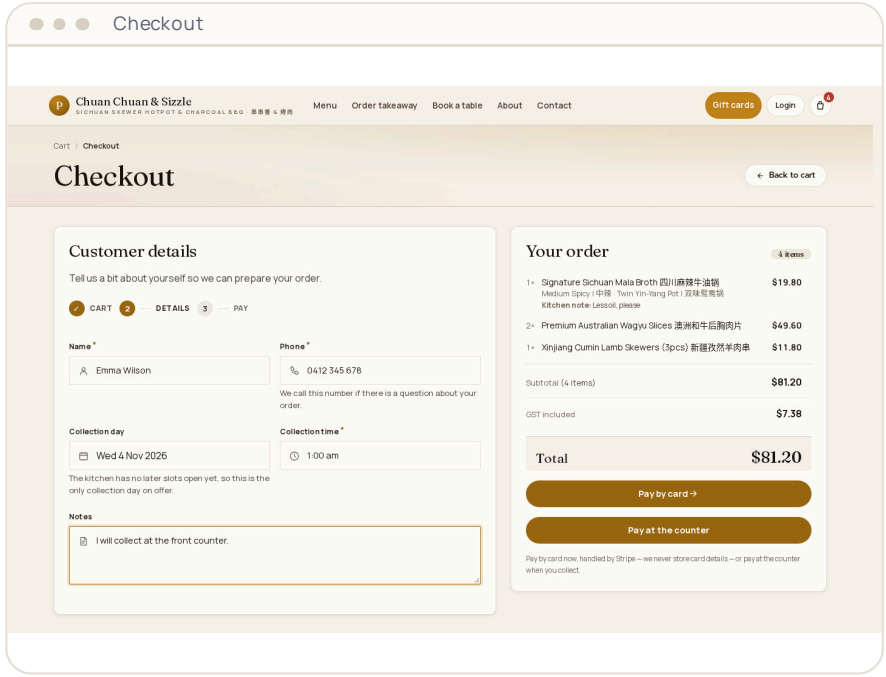
Your order

Dishes with their options, a collection time and the total.



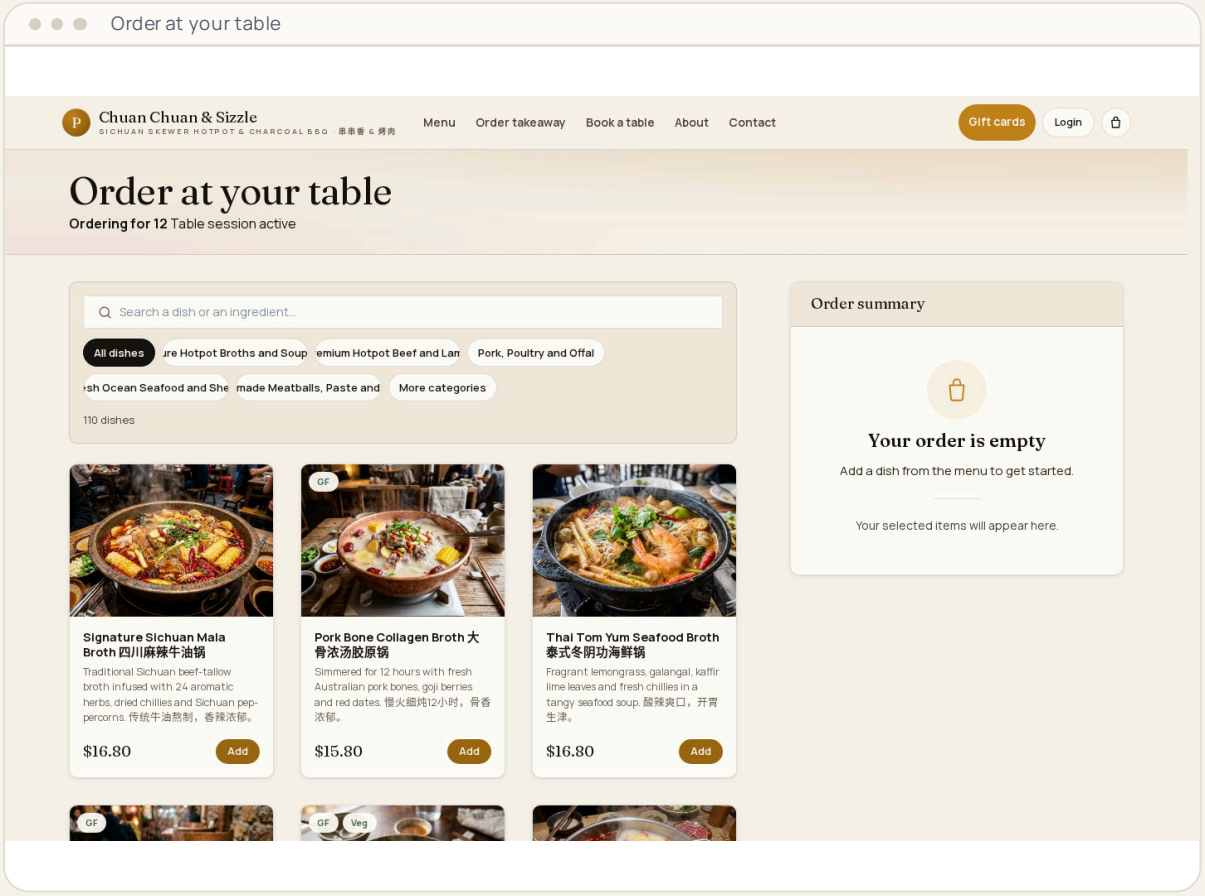
Checkout

Name and phone, the collection time, pay by card or at the counter.



Order at the table from a QR code

MenuNerds



Scan the table poster

The menu opens for that table, without an account.

Choose dishes and options

Add dishes with their options and notes to the round.

Send it to the waiter

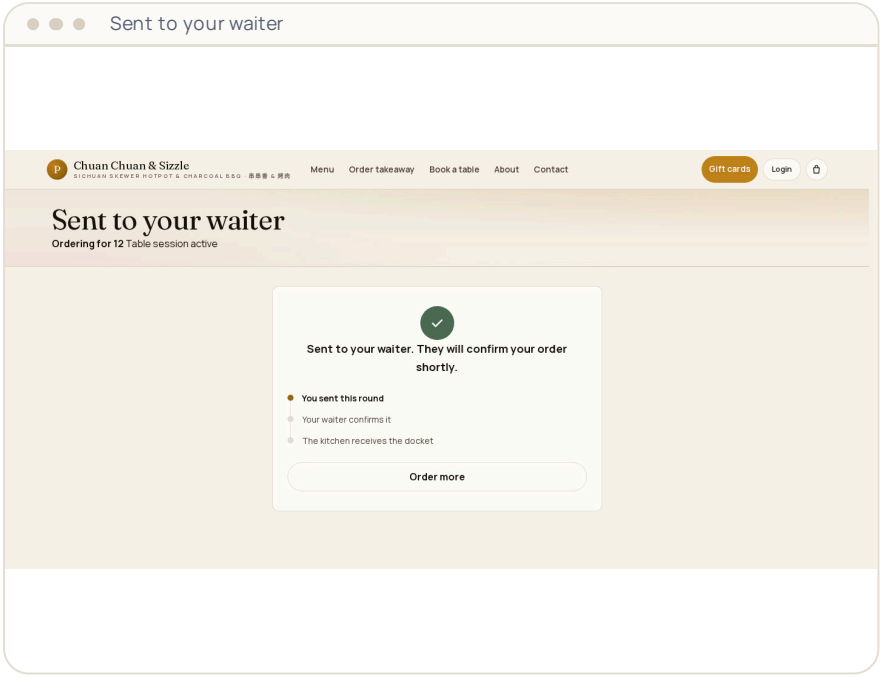
The waiter confirms the round before it reaches the kitchen.

A waiter approves every round

MenuNerds

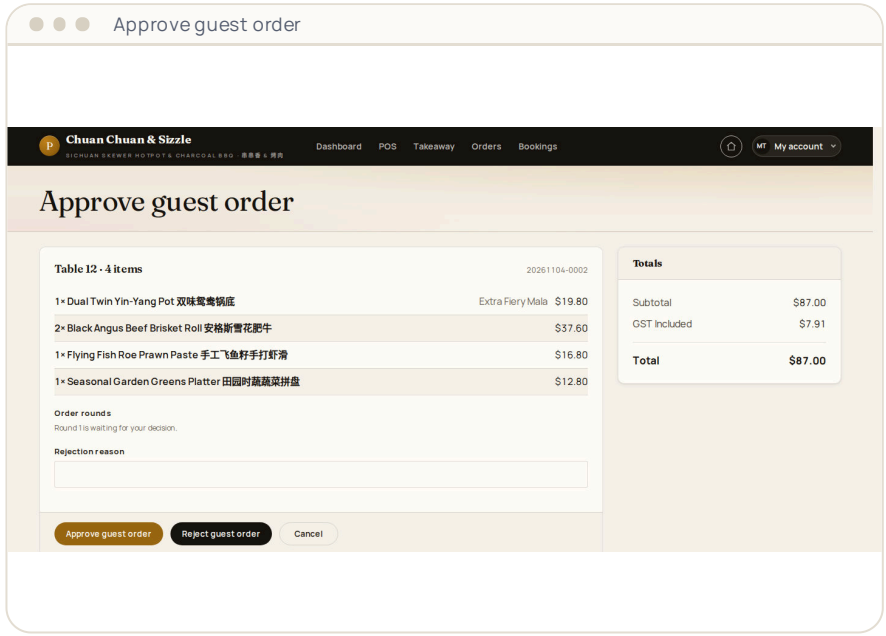
Sent to your waiter

The guest follows the round and can order more.



Approve guest order

The waiter checks the dishes, then approves or rejects with a reason.



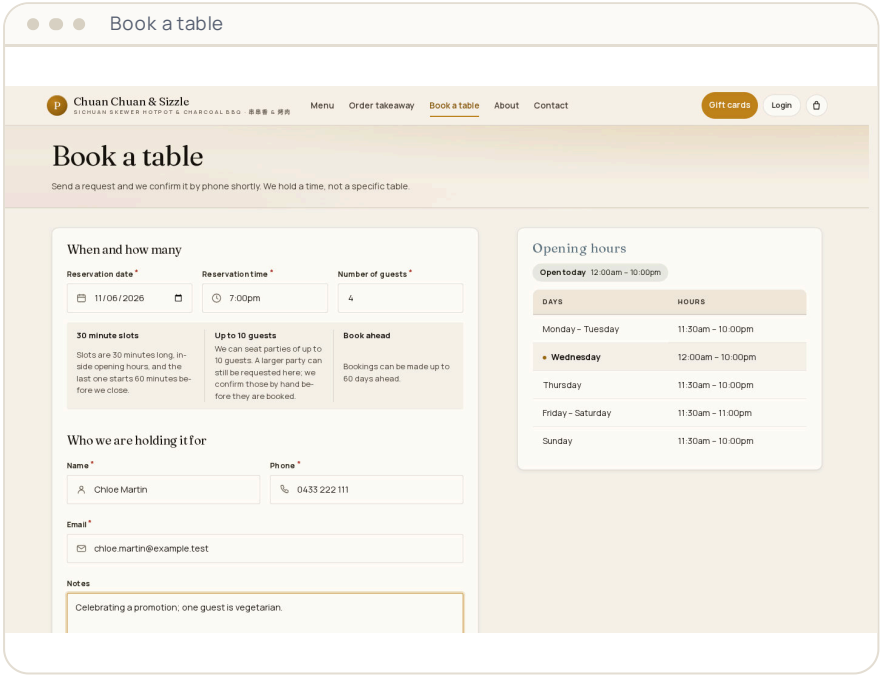
Book a table

MenuNerds

Book a table

Date, time and party size, then the guest's contact details.

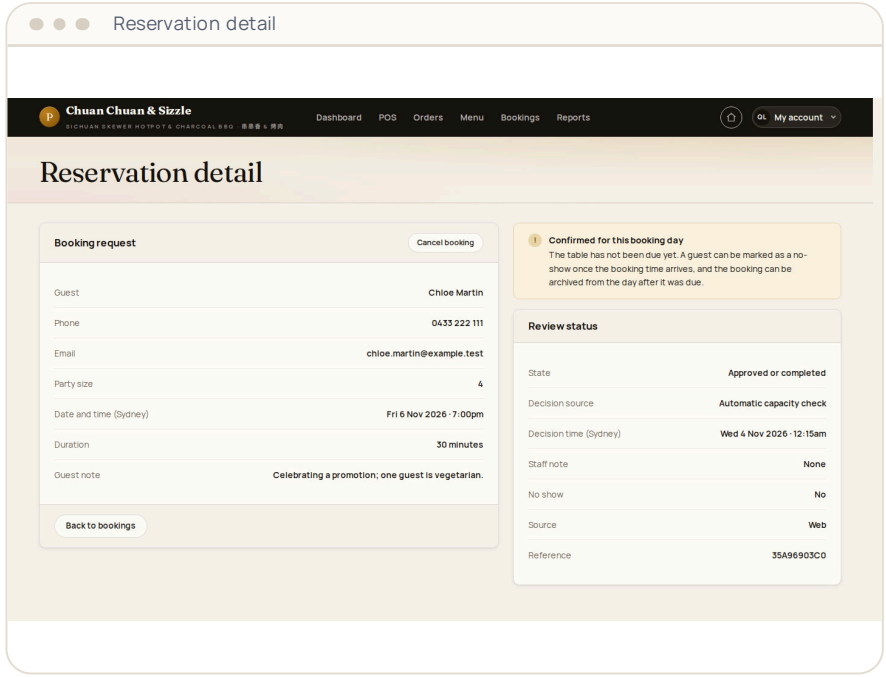
Book a table



Reservation detail

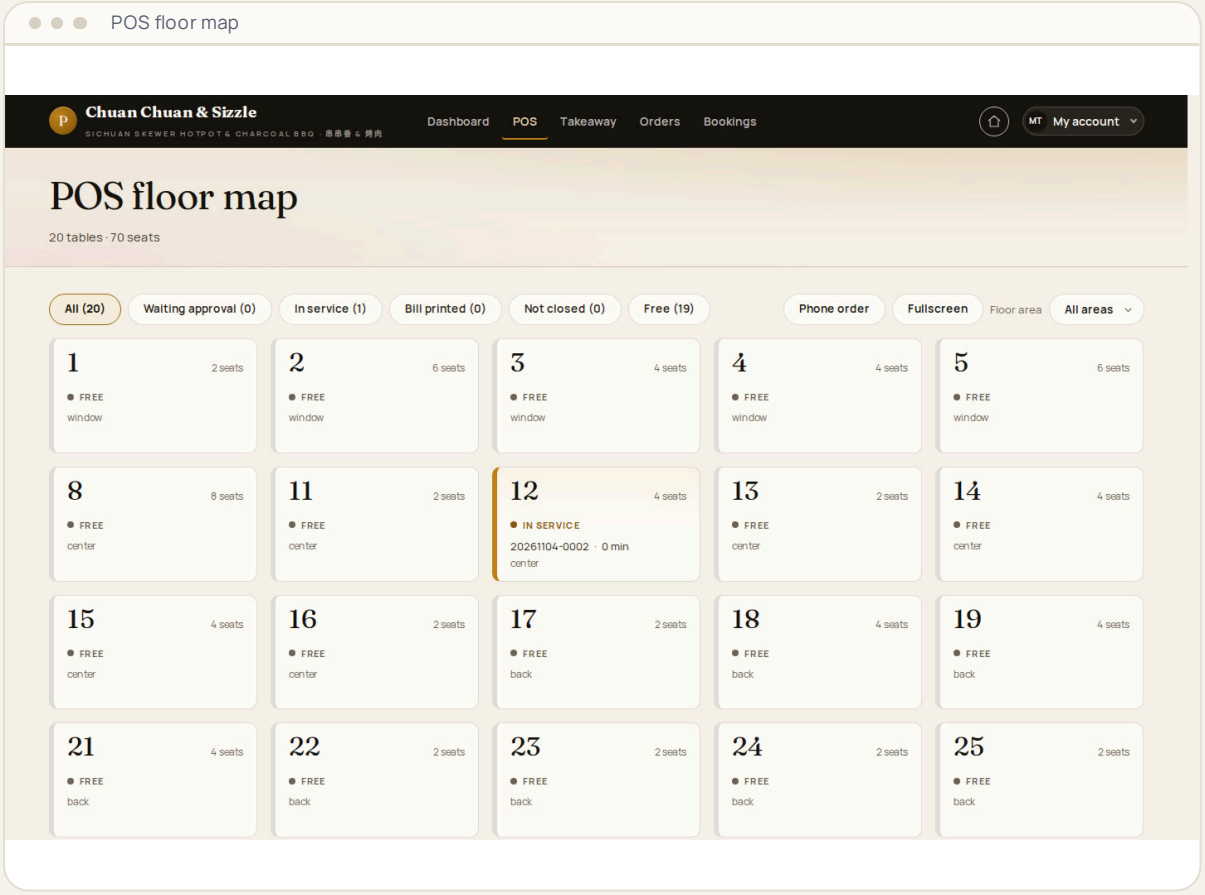
The request, its source and how it was decided.

Reservation detail



Run the floor from one map

MenuNerds



See every table

Areas, seats and the state of each table at a glance.

Filter the floor

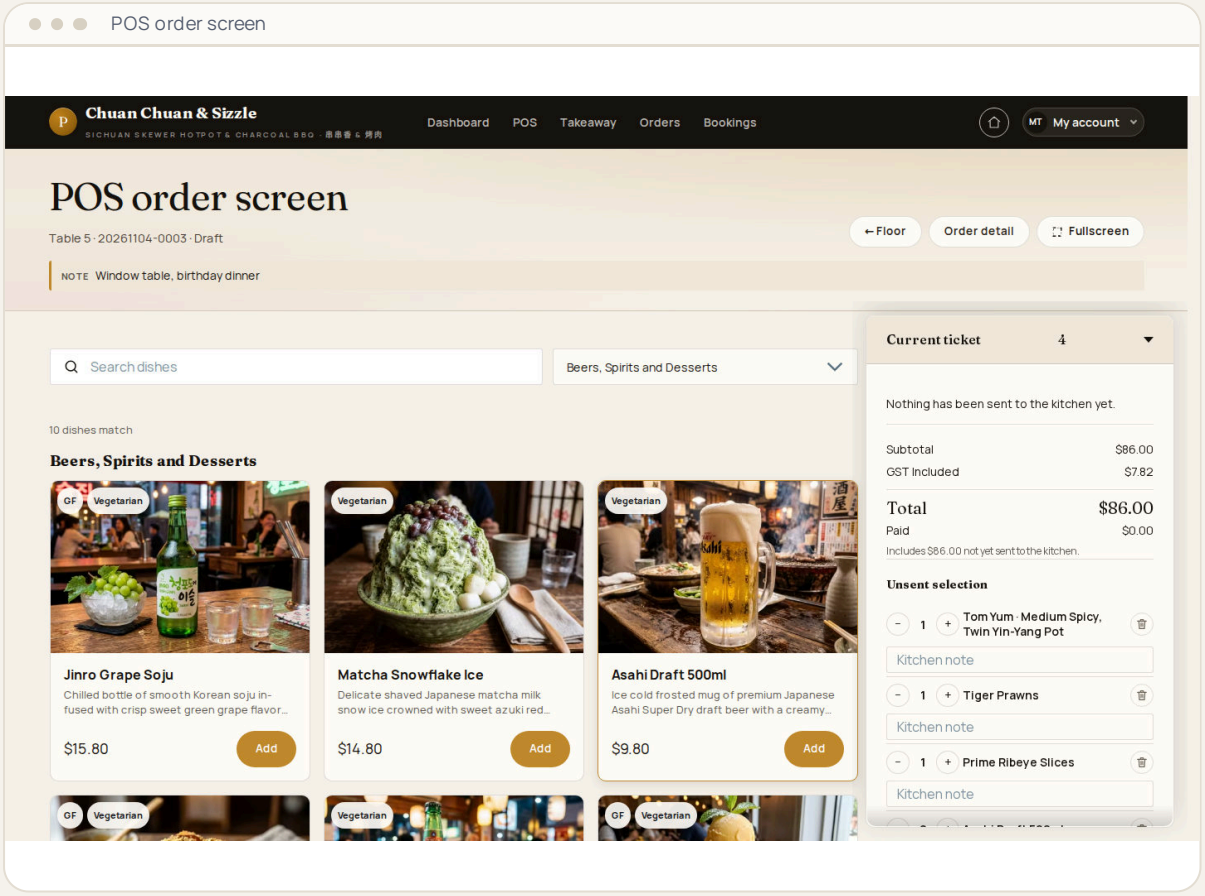
Waiting approval, in service, bill printed, not closed or free.

Start a table order

Tap a free table and enter the number of guests.

Take the order on the POS

MenuNerds



Find dishes fast

Categories and a search by name, with photos and prices.

Tap to add

Options open in a sheet; each line can carry a kitchen note.

Send the round

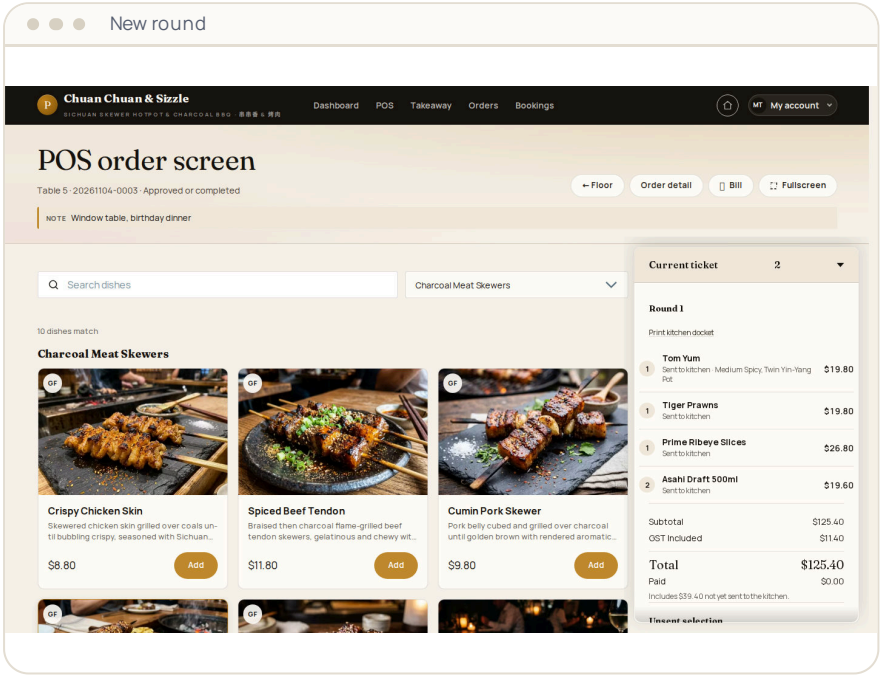
The round goes to the kitchen with its own paper docket.

Add a round when the table orders more

MenuNerds

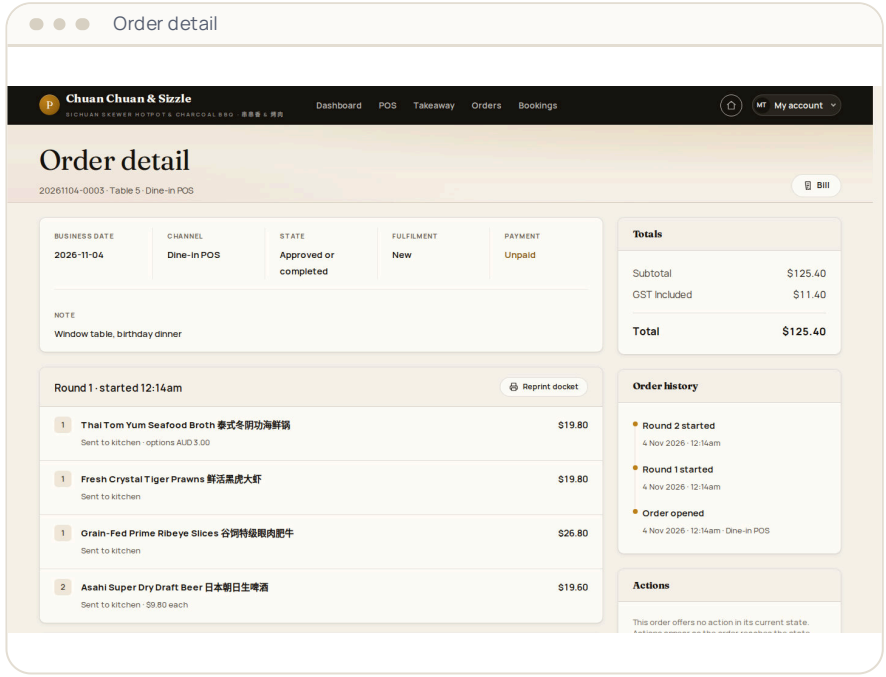
New round

Round 1 is with the kitchen; the new dishes wait on the ticket.



Order detail

Each round keeps its time, its lines and its docket.



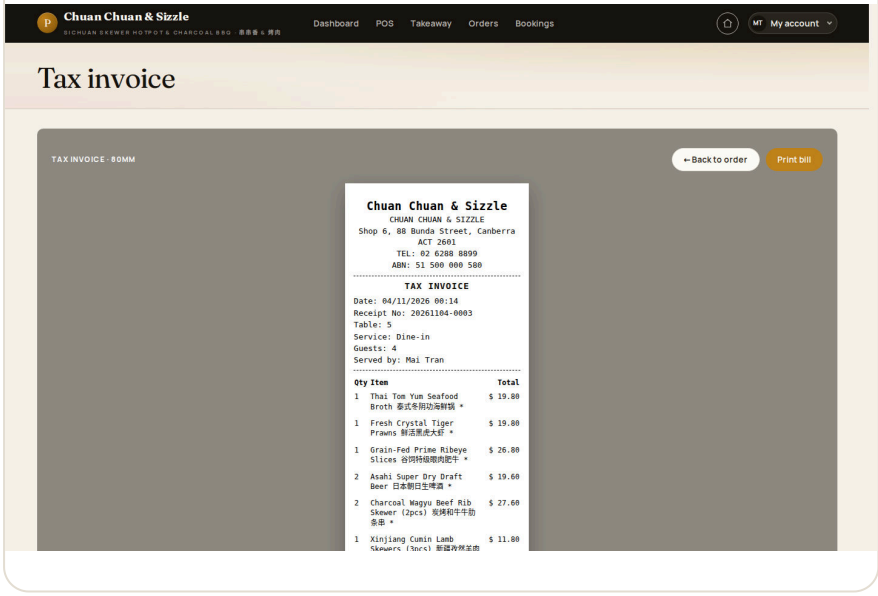
Print the bill and take payment

MenuNerds

Tax invoice

One invoice for the whole order, with the ABN and GST.

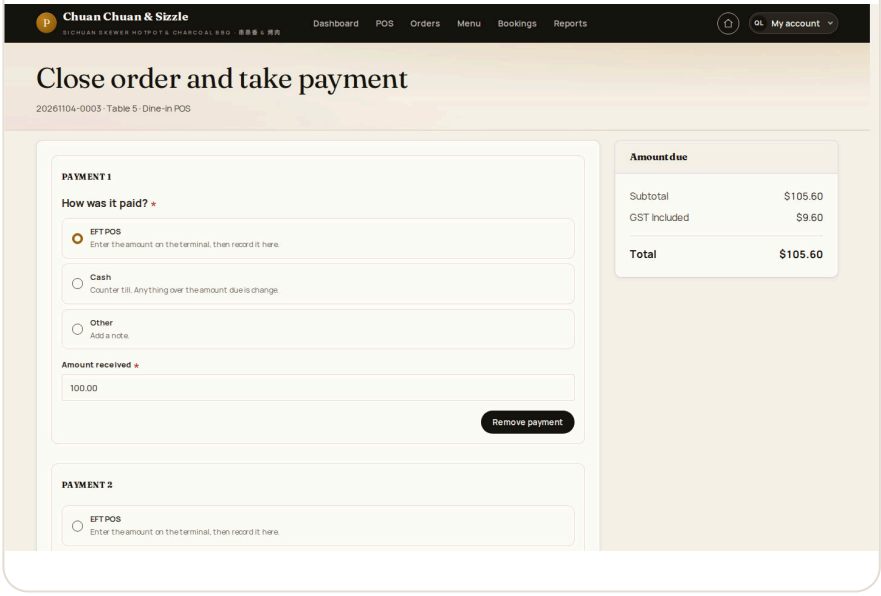
Tax invoice



Split payment

EFTPOS, cash or other, in one payment or several.

Split payment



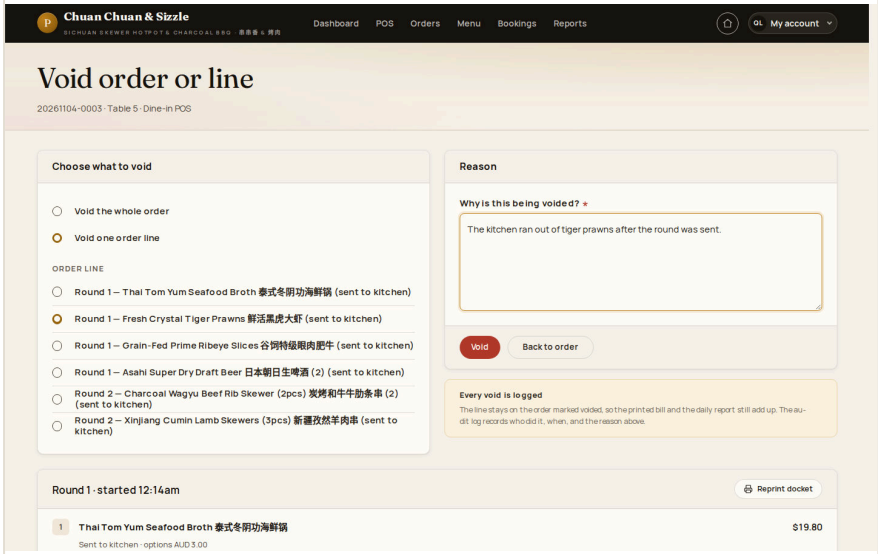
Correct an order with a reason

MenuNerds

Void order or line

Choose the line, give the reason, void it.

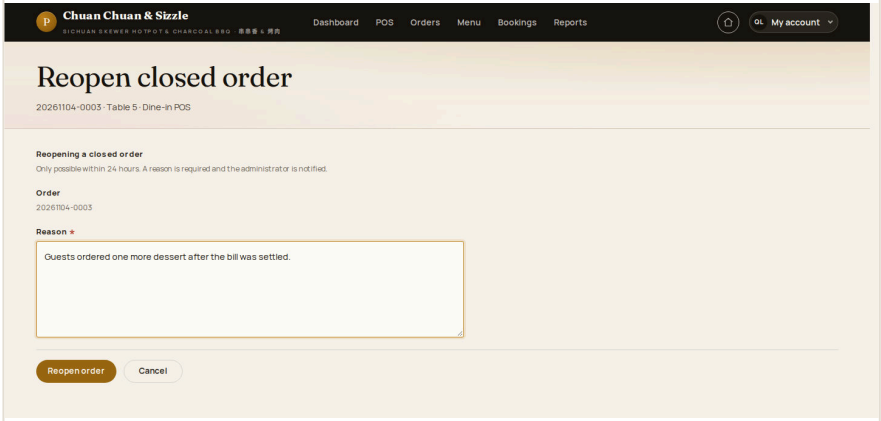
Void order or line



Reopen closed order

Within 24 hours of closing, with a reason.

Reopen closed order



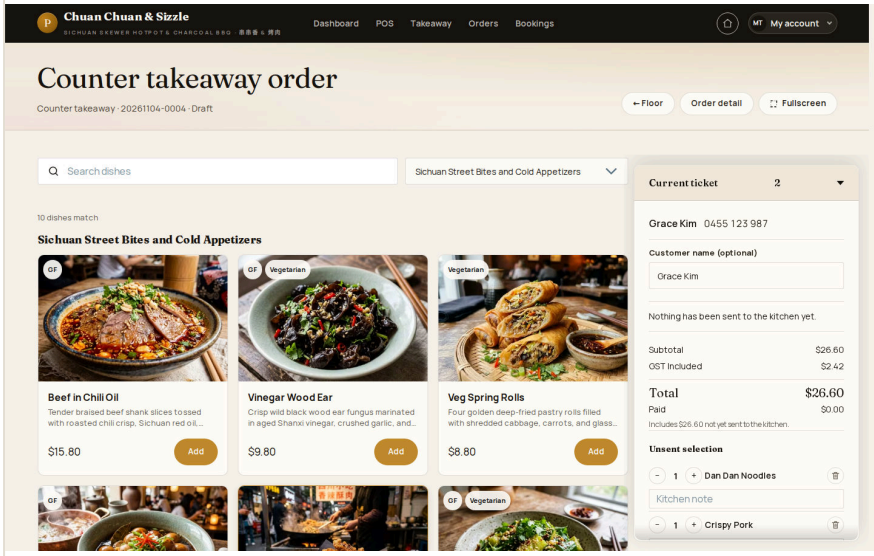
Counter and phone takeaway

MenuNerds

Counter takeaway order

The POS ticket, with the customer's name and phone.

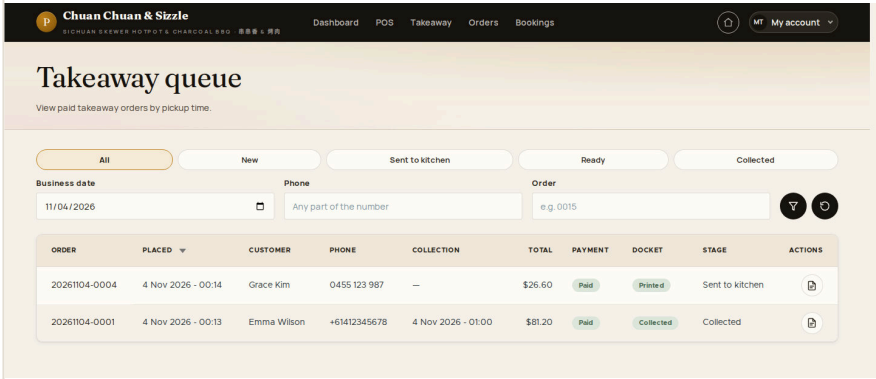
Counter takeaway order



Takeaway queue

Website, counter and phone orders by collection time.

Takeaway queue



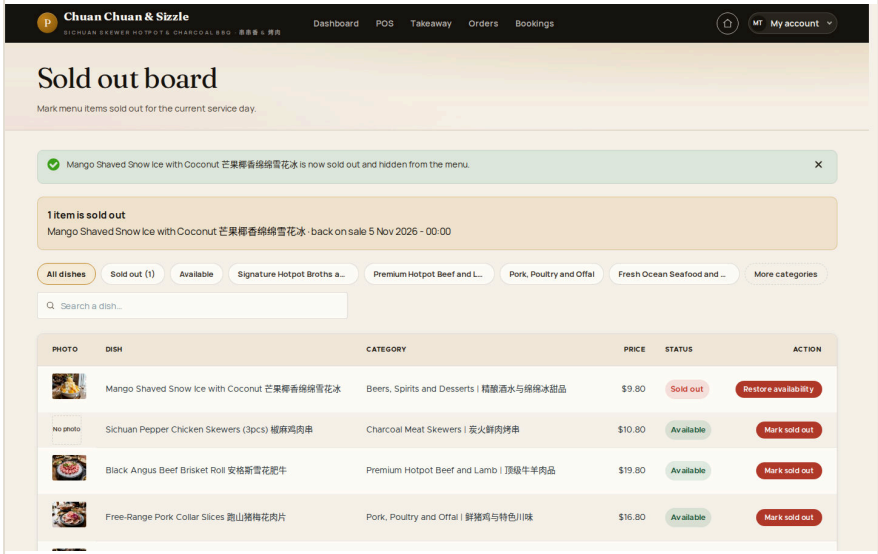
When a dish sells out

MenuNerds

Sold out board

Mark a dish sold out for the day, or restore it.

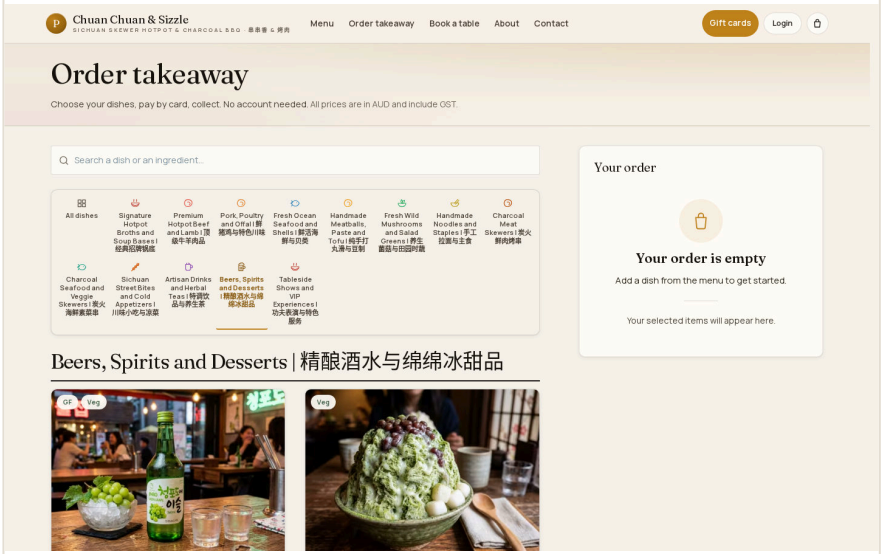
Sold out board



Order takeaway

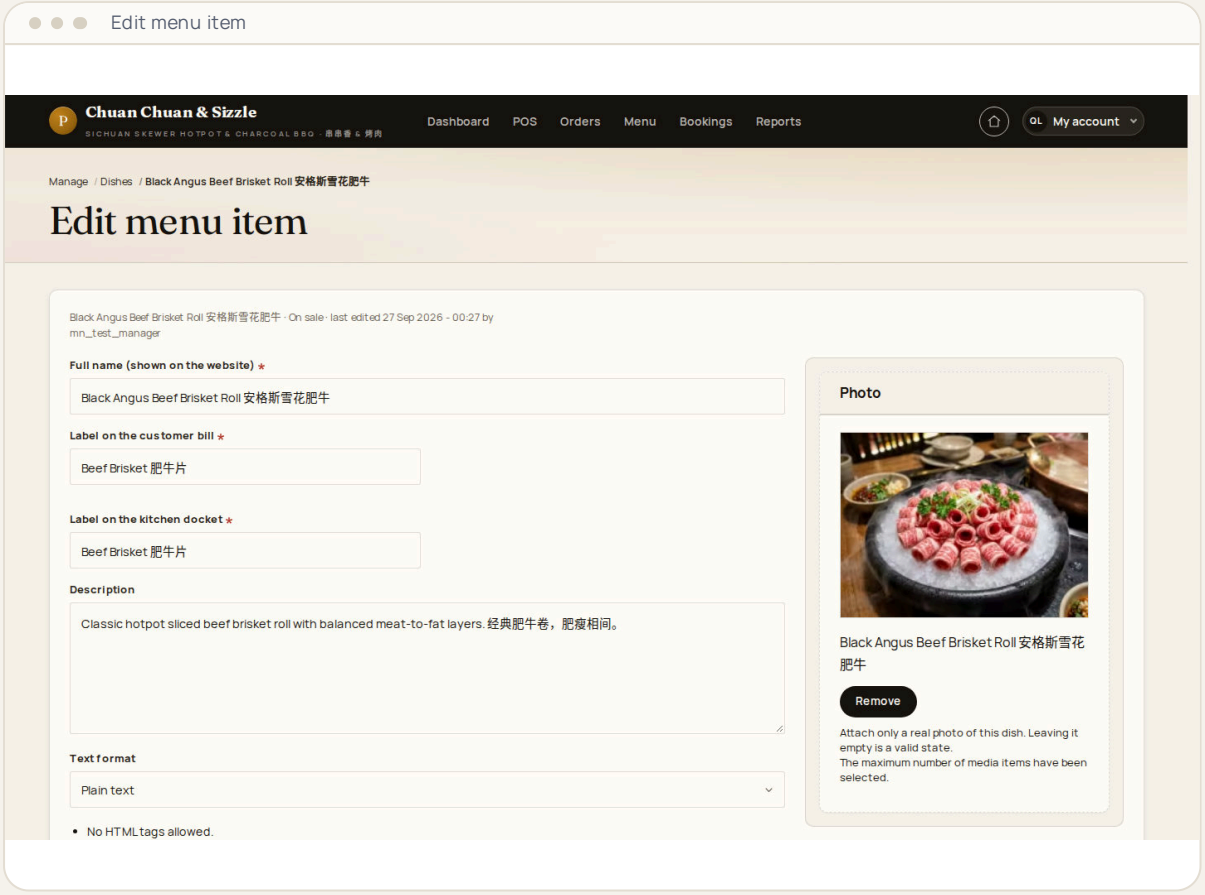
The dish leaves the online menu and locks on every POS.

Order takeaway



Update dishes and prices

MenuNerds



One dish, three names

For the website, the customer bill and the kitchen docket.

Price and options

Price with GST, category, option groups and dietary labels.

Earlier orders keep their price

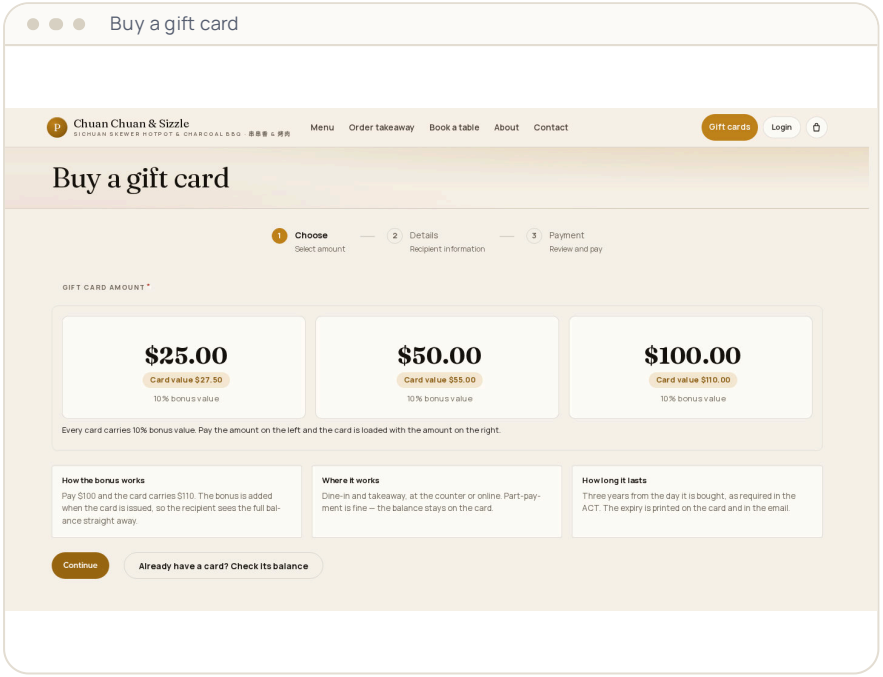
A line keeps the price it was sold at.

Gift cards and promotions

MenuNerds

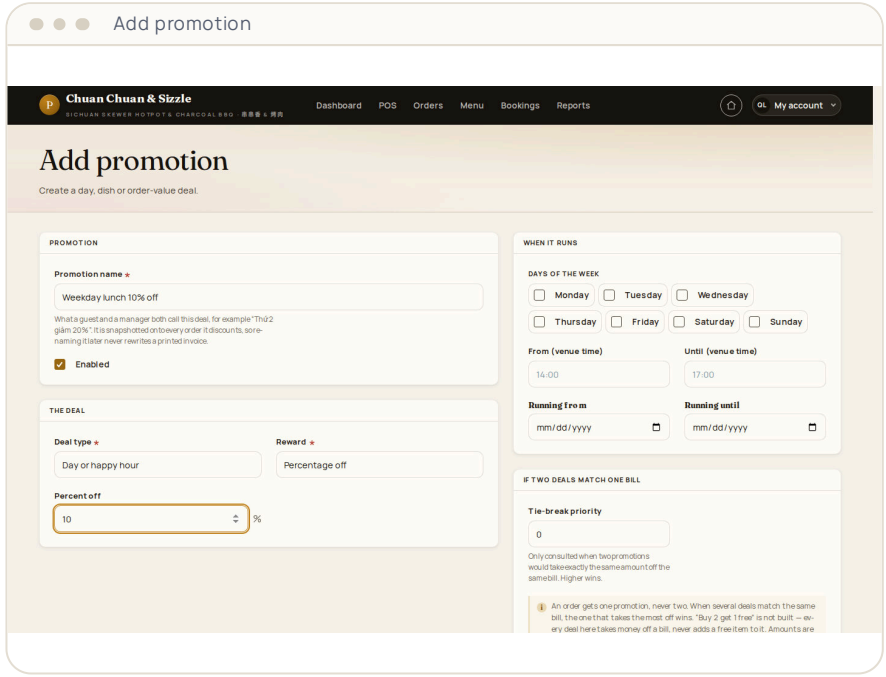
Buy a gift card

$25, $50 or $100, each with a 10% bonus value.



Add promotion

Day or happy hour, particular dishes or an order value.



Tables and their QR codes

MenuNerds

Tables

Seats, area, status and the QR code of each table.

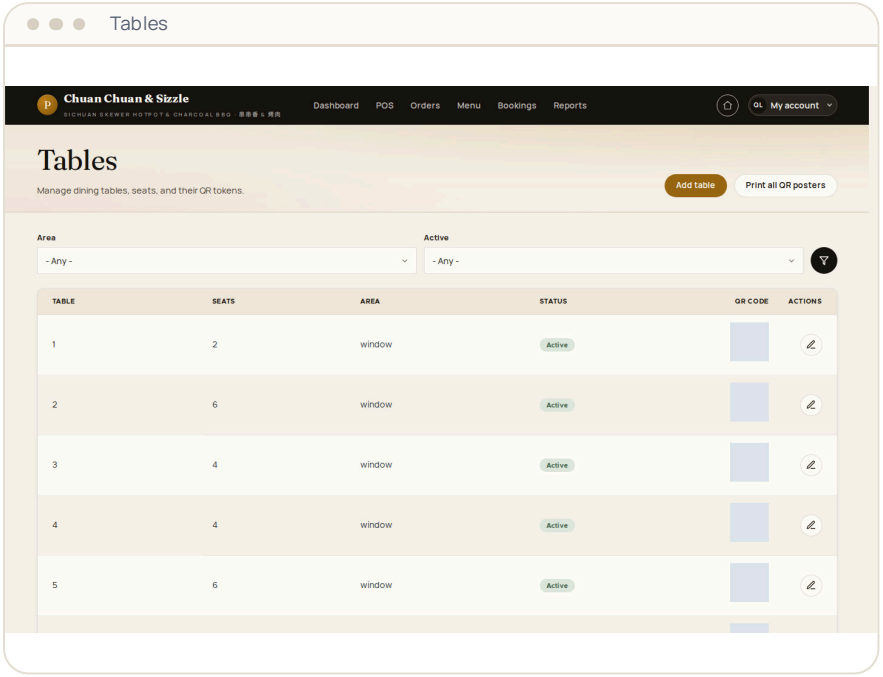


Table QR poster

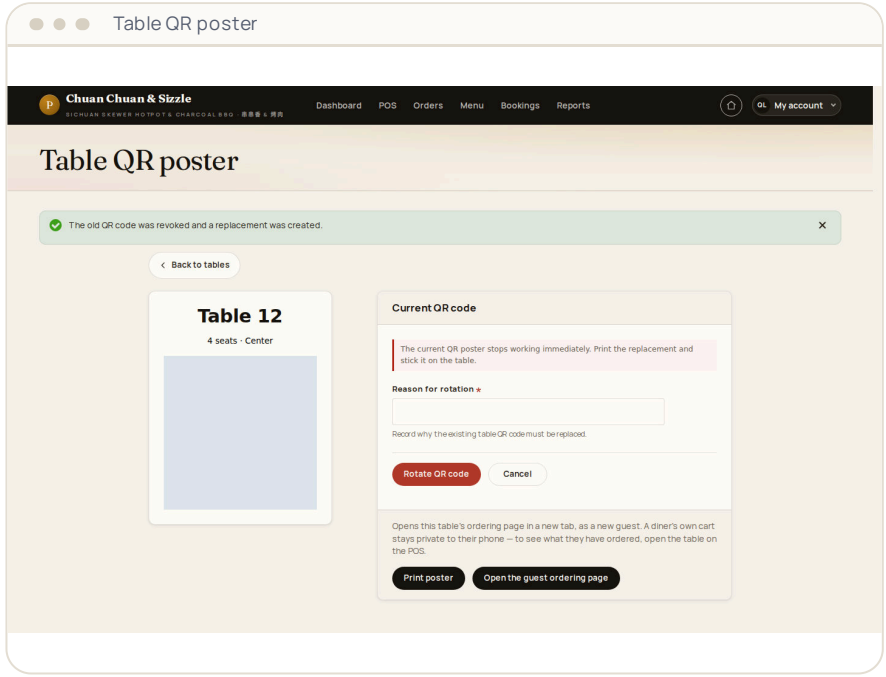
Rotate a code with a reason; the old poster stops working.



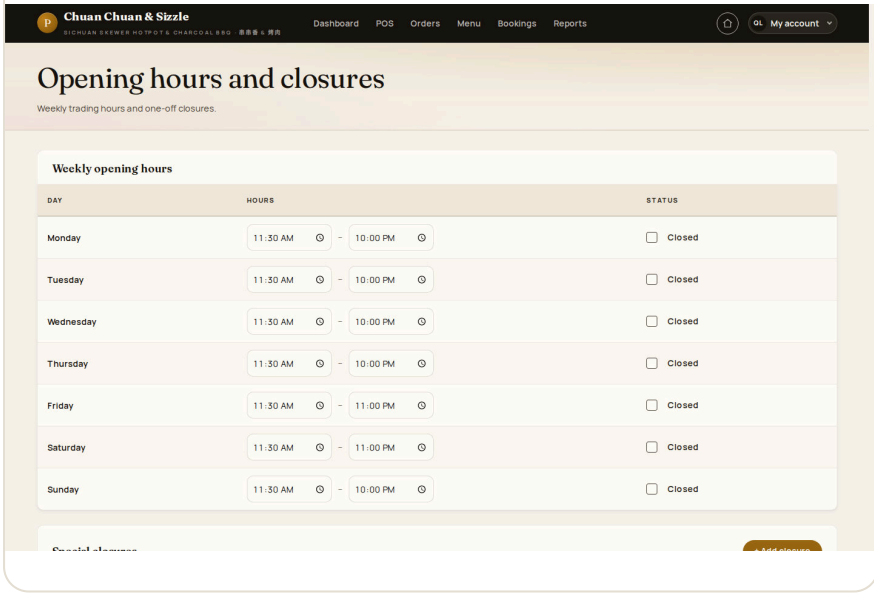
Set the hours and the rules

MenuNerds

Opening hours and closures

The weekly hours and one-off closures.

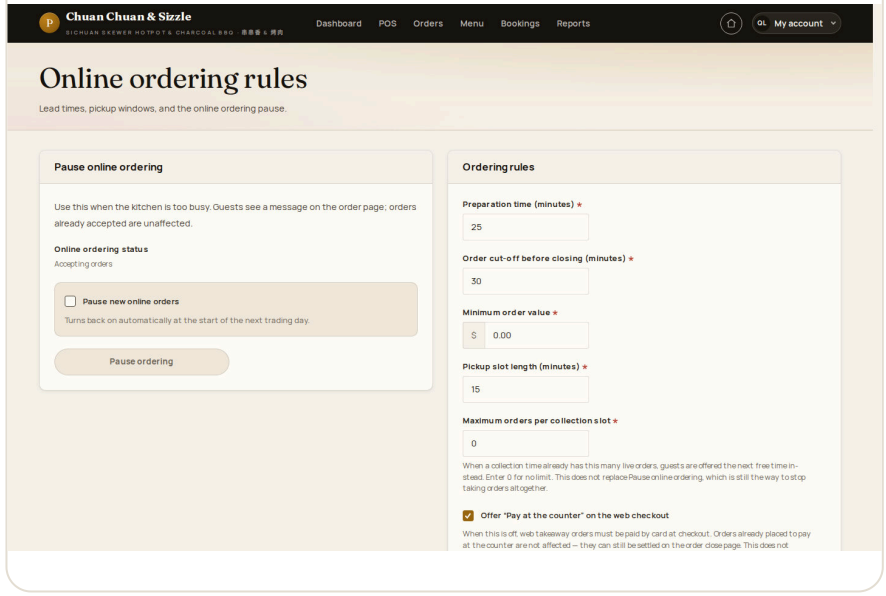
Opening hours and closures



Online ordering rules

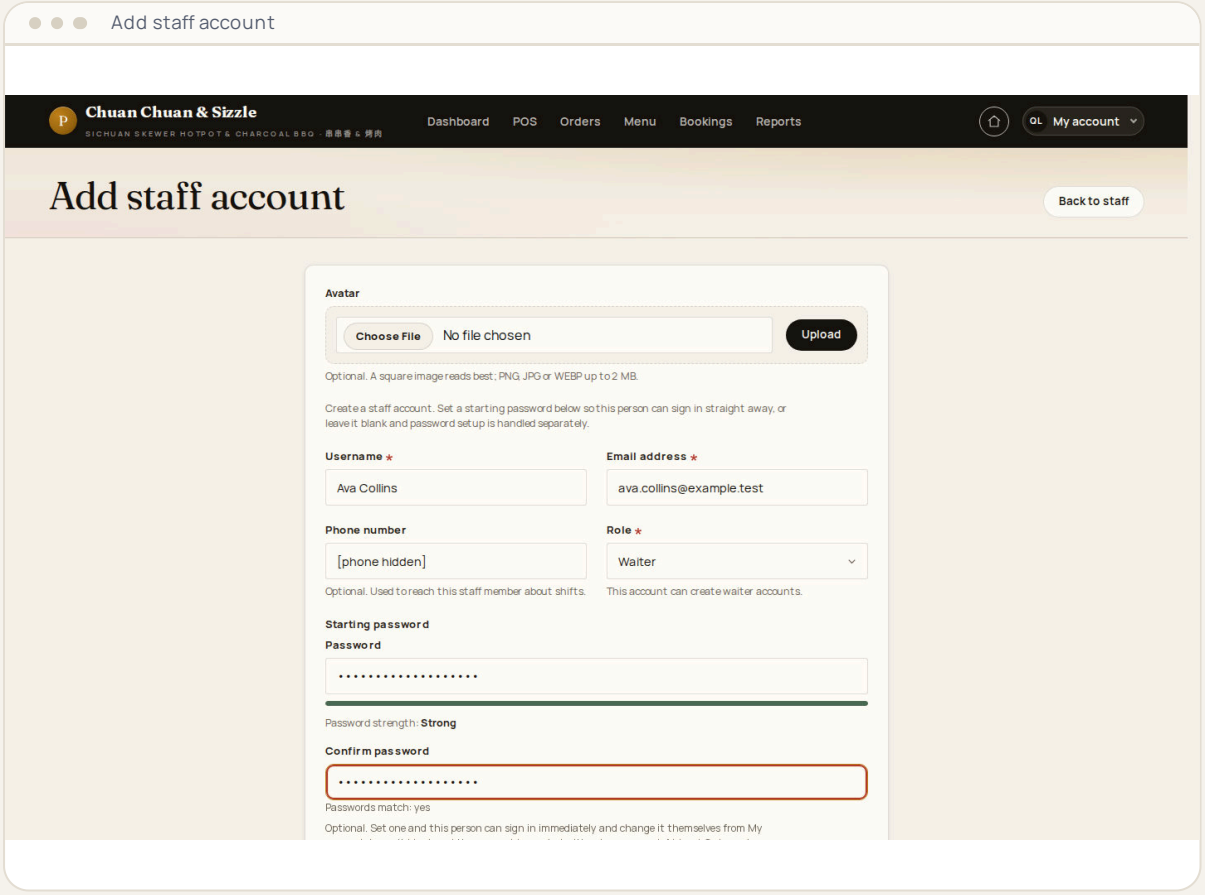
Preparation time, cut-off, slots and a pause.

Online ordering rules



Give staff the access they need

MenuNerds



Add an account

Username, email, phone, role and a starting password.

One role each

Waiter, Manager or Administrator, each with its own menu.

Block and reinstate

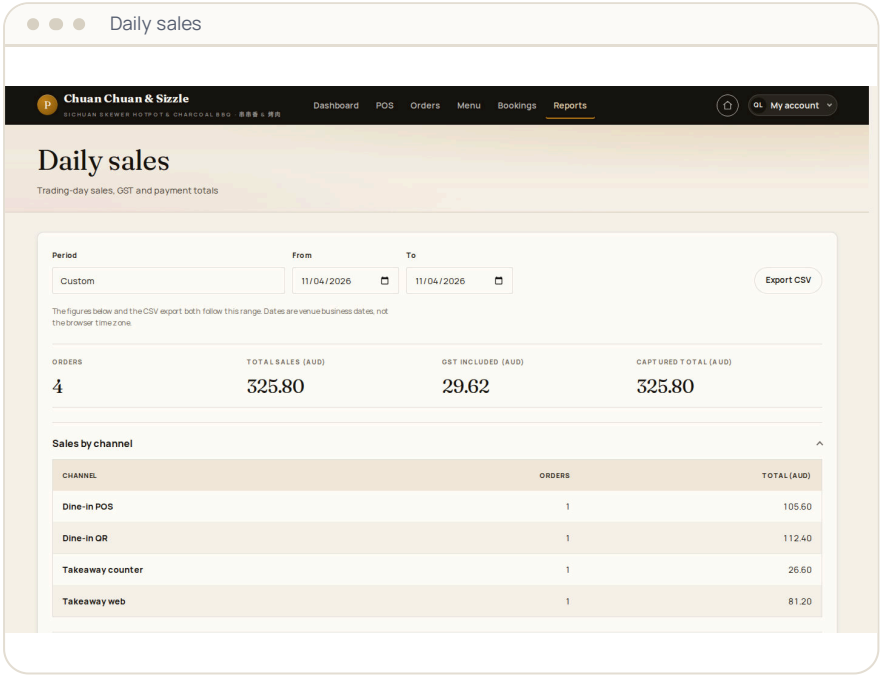
A blocked account keeps its history and cannot sign in.

Review the trading day

MenuNerds

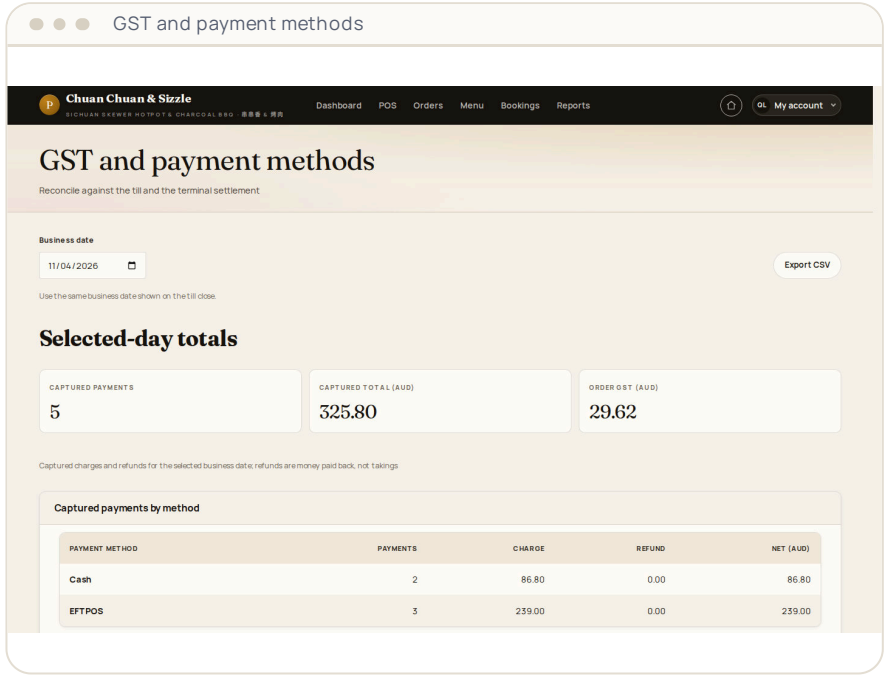
Daily sales

Orders, sales and GST, by channel and payment method.



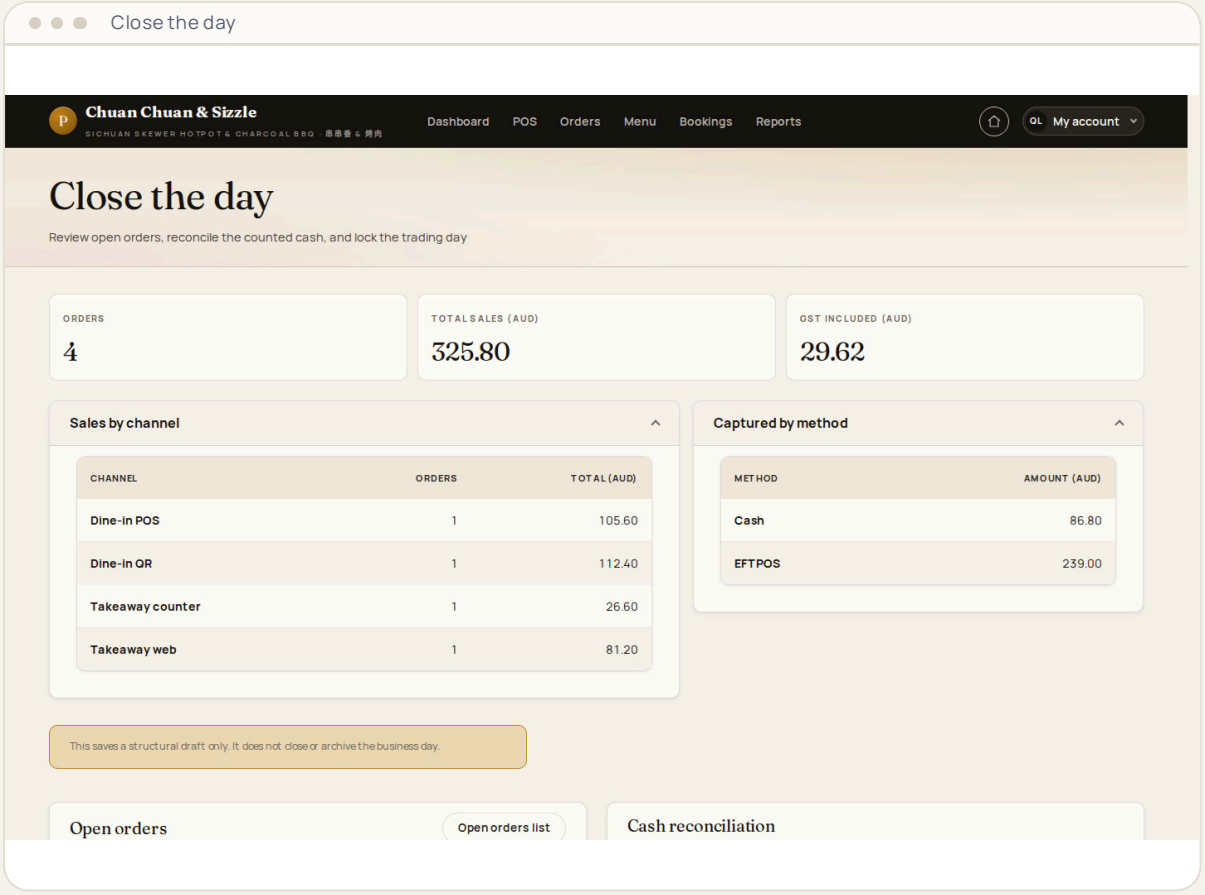
GST and payment methods

Captured payments by method, for the till and the terminal.



Close the day with the counted cash

MenuNerds



Check the day

Totals by channel and payment method, and the open orders.

Count the cash

Save the counted cash and a variance note as a draft.

Close and confirm

Close the day, then confirm the counted cash.

Use the web interface on a phone
